Sir,

I have the honour to inform you that the people of Arakere in the Seringapatam Taluk have made an application for a grant in aid of an English School opened by them in their Village in January last. The school is attended by about 20 boys. The people have collected and paid into the Taluk Treasury a sum of Rs 160 which is two-thirds of the annual cost of the school, the remaining one-third being expected by them as aid from Government. Under these circumstance

I request that Government may be pleased to sanction a monthly grant of Rs 20 a month to the school for one year from 1st May 1902 from the Village School Fund. The charge for one month during the current year may be met from the general savings and the needful provision sanctioned in the Budget for 1902-1903

I have the honour to be,
Sir,
Your most obedient servant,
